DATED : 31ST AUGUST 2006

P.C.:

. This Appeal is directed against the order of acquittal passed on 31st January 2002 by the Additional Sessions Judge, Karad. The impugned order discloses proper appreciation of evidence and correct application of law. The learned Judge on discussion of evidence as found that the chain of circumstantial evidence is not completely proved by the prosecution and even if cumulative effect of the evidence is taken into consideration, it does not point to the guilt of the accused. In such circumstances, no case is made out. Hence, Appeal dismissed.
